

Optionals Ovens and Cookers

■ **Optionals for Ovens and Cookers**

Many users have special requirements for ovens and cookers. In order to complete our product range, a series of optional accessories has been designed to allow users to work in perfect safety without sacrificing domestic comfort.

■ **Optional per Forni e Cucine**

Capita spesso di avere esigenze particolari nell'utilizzo dei nostri forni e cucine, e per completare la nostra produzione è stata studiata una serie di optional che permette di operare in perfetta sicurezza utilizzando tutta la potenzialità dei nostri prodotti, senza rinunciare alle comodità di casa.

■ **Options pour fours et cuisines**

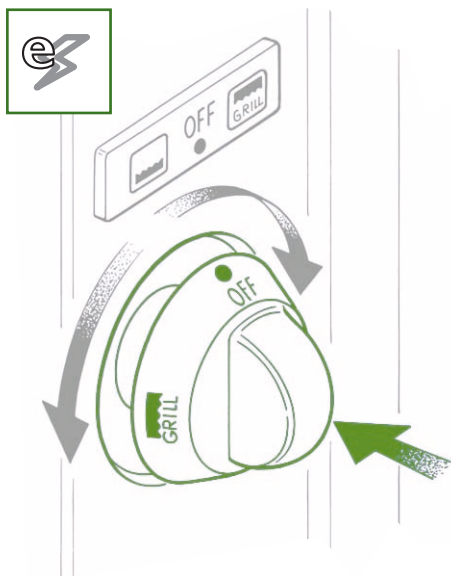

Il arrive souvent d'avoir des demandes particulières pour l'utilisation de nos fours et cuisines. C'est pourquoi, pour compléter notre production, nous avons conçu une série d'options qui permettent d'opérer en parfaite sécurité en utilisant toute la potentialité de nos produits, sans renoncer aux comforts de la maison.

■ **Sonderausstattungen für Backöfen und Herde**

An unsere Backöfen und Herde werden stets besondere Anforderungen gestellt. Deshalb haben wir eine Reihe von Sonderausstattungen entwickelt, durch die unsere Produkte noch vielseitiger werden und unserer Herde daheim in Bequemlichkeit und Sicherheit in nichts mehr nachstehen.
